The Three Rivers Learning Trust appointed Muckle LLP as their advisers in 2014. Since then we have worked closely with them on a diverse issues ranging from the strategy to governance, from HR to clerking and from property to pensions. In all these areas they have provided excellent professional support in an efficient and timely manner. They are responsive and friendly in the way in which they deliver their advice which helps to put us at ease. I would be very happy to recommend them."
