

Easy debt recovery with Muckle Collect

Chasing debts is a total time-sap. A hassle that takes you away from running your business. But who can you call for help? Which experts can you trust to act on your behalf and call in either a single or large number of debts? Will the process be complicated and costly? We can answer these questions with Muckle Collect.

What is Muckle Collect?

Muckle Collect is our tool that makes it easy for you to submit and manage your debts online. With Muckle Collect it's easier than ever for you to put the expertise of our debt recovery team to work, with easy setup and total transparency on price.

What are the benefits for you?

Access to our expert team

Our debt recovery team have over 30 years' experience and are ideally placed to advise clients on their rights and remedies and agree a debt recovery approach. Muckle Collect makes getting help easier than ever.

Always available

We know there's no such thing as standard office hours, you want to be able to log debts and track progress at a time to suit you. Muckle Collect is available from any internet-connected device 24 hours-a-day.

Total flexibility

You can log a single debt with us for recovery or upload thousands as a batch. And with no ongoing commitment, we're here whenever you need us.

Transparency on price

You can choose a fixed-price service or a £50+VAT 'no win, no fee' approach. And everything's agreed upfront so there's no nasty surprises.

A data-driven strategy

It's the data that informs our approach. With Muckle Collect we will inform you of the likely percentage chance of success based on our data insight.

A professional approach

Our debt recovery team has an enviable track record, recovering 92% of B2B debts. While results are important, our team make sure we act appropriately and ethically at what is a difficult time for many organisations.
