Our team

The Banking and Restructuring team is a key part of the wider Muckle LLP team, which is around 150 people strong. We are all based at a single site office in central Newcastle upon Tyne – a city we have operated from for over 100 years.

Historically, we had invested significantly to promote agile working, with our people having the ability to work from wherever suited them best, which we all did already long before the COVID-19 lockdown. This flexibility allowed us to move all of our operation seamlessly to home working in March 2020, without disrupting our service delivery. We continue to operate to the same excellent levels of service that existed pre-lockdown, providing legal services to a wide range of organisations throughout the UK and beyond. We continue to operate our agile working policy, also taking advantage of our excellent, modern office facilities, where these help us to deliver excellent service to each other and to our clients.

Our people and values

Our business is full of bright, enthusiastic, articulate, colourful, confident people. People who live and breathe our core values:

- Trust – we trust each other to do the right thing
- Teamwork – we are one team and work selflessly for each other
- Responsibility – we are self-starters and take responsibility for how we work together and communicate
- Care – we care about our people, clients and community

It means, no matter who is involved, our clients receive the same excellent service from people who do what they say, on time and on budget, every time. That's the Muckle way!

Our culture

We want everyone to understand how our business is run and we encourage all of our people to get involved. We are also proud of the communities in which we live and work and give our people lots of ways to support them.

For example, you could use your two days' paid volunteering leave to support a local cause you care about or nominate them for a grant from our Muckle Fund at the Community Foundation.

From workplace running, cycling and walking clubs to fun events organised by our BEAM (Being Engaged At Muckle) team and participation in our Green Team to help make the business as environmentally friendly as possible, we've created a unique and award winning place to work:

- Investors In People Gold award accreditation
- Investors In People Health and Wellbeing accreditation
- North East Better Health at Work Continuing Excellence award
- Journal North East Best Place to Work (Medium Sized Company) award

We are really proud of the results of our recent Investors In People survey, in which 98% of our people believe Muckle is a great place to work and 100% share the firm's values. Our overall results place Muckle LLP in 147th position for ALL Investors in People organisations (of which there are over 10,000 throughout the world) and **2nd for legal firms with between 50 to 249 employees!**

So how does all that sound? If you're looking to work in a friendly, open environment and want to develop your career in a forward thinking, commercial North East law firm, then this is an excellent opportunity.
